

Material Handling Systems

CH # 5

Material Handling Equipment

1. Between fixed points over a fixed path

1. Belt conveyor
2. Roller conveyor
3. Chute conveyor
4. Slat conveyor
5. Screw conveyor
6. Chain conveyor
7. Overhead monorail conveyor
8. Trolley conveyor
9. Wheel conveyor
10. Tow conveyor
11. Bucket conveyor
12. Cart-on-track conveyor
13. Pneumatic tube conveyor

Material Handling Equipment

2. Over limited areas

- Hoists
- Overhead cranes
- Hydraulic scissors lift

3. Over large areas

- Handcart/truck
- Tier platform truck
- Hand lift truck / pallet jack
- Power-driven hand truck
- Power-driven platform truck
- Forklift truck
- Narrow aisle truck
- Tractor-trailer truck
- Material lift
- Drum truck
- Drum lifter
- Dolly
- Automated guided vehicle system
